

The Canvas Works

Sausalito, CA

Job Posting:

October 12, 2017

Brief Description:

Seeking experienced seamstress for the boating, residential and commercial cover and cushion fabrication business. Position requires creative ability to visualize 3D projects from design and inception, through sewing and fabrication to installation for marine, residential or commercial customers. Each project is custom designed and fabricated in our shop. Successful applicants for this position must have strong sewing skills, be a creative, collaborative problem solver and physically able to work with large sheets of fabric both on the sewing table and on boats. The Canvas Works is a fast growing, custom shop on the water in Marin, CA with a small team of dedicated, experienced and dynamic, professionals. This is a unique career opportunity for a responsible individual with a desire to work in this industry.

Qualifications:

Sewing skills and experience. Physically able to work on boats or in residential settings with large sheets of fabric. Creative, collaborative problem solving and visualization skills.

Desired Skills:

Industrial Sewing

Design

Marine Canvas Fabrication

Marine/Residential Cushion Fabrication

Location:

Liberty Ship Pier, Sausalito, CA

Full Time work – 40 hrs/wk

Competitive salary plus bonus program

Starting salary dependent on experience
