

Hardtop Dodger

We make it happen!

As expert fabricators and experienced cruisers, we have designed the hardtop with both form and function in mind. Consider the many benefits of a hardtop dodger.

- A dependable structure for peace of mind when cruising off shore.
- A strong, robust and durable surface to mount solar panels or hardware.
- A low maintenance support structure to withstand harsh cruising conditions.
- A smooth, cleanable surface that won't tear, mold or stretch.
- A sleek, rigid enclosure that provides ultimate protection from wind and rain.

SPECIFICATIONS:

Enclosure: 40 mil clear view polycarbonate windows are thoughtfully fitted and sewn to Stamoid or Sunbrella fabric, both fabulous choices for mariners.

Rigid Top: Fabricated with 3/4" foam core, x-mat glass and high quality gel coat. Cambered, 90" X 54" 1" with rain lip.

Hardware - All components used to attach the hardtop to your boat are heavy duty 316 stainless steel.

Fit - We template your boat for an expert, tailored fit. Custom hardtop dodgers are currently available for 38-45 foot sail boats.

Installation - Your new hardtop dodger is installed with longevity in mind and ready for you to cruise where ever the wind may take you.

Our thoughtfully and expertly fabricated hardtop dodgers provide unparalleled protection, security and dependability for all your sailing adventures.
